Education, today, is not limited to a narrow space, it embraces , the depth of knowledge ,the culture of character and the blending of personality. KVS has taken a pioneer initiative in providing unlimited opportunities to students to excel and prove their mettle in various fields . It is an institution with the underlying aims of education and education psychology . in a secular environment educational and co-curricular activities are a common Feature. Competitions are organized at different levels to promote national integration. As the teacher too has a pivotal role to play in the educational field .We have a team highly qualified teachers selected on all India merit basis who are fully devoted to their duties and responsibilities towards society and nation at large. Besides command over their subject they are well equipped with the latest technology of learning and developments taking place in the field of education . Ample opportunities are being provided to chisel their knowledge through literary interactions at Vidyalaya level, during subject committee meeting and staff meeting, through orientation and refresher courses and through workshops and seminar conducted at Regional and All India level. This website of ours will speak itself of our administration, infrastructure, scholastic and Co-scholastic pursuits, latest events, attainments and achievements.....**JAI HIND**
